

Ski S'kool

Cariboo Ski Touring Club

Everything you need to know to glide into a season of fun

Introduction

What is Ski S'kool?

Our Ski S'kool program blends skill development with play-based learning, helping participants build confidence while enjoying the outdoors. Our coaches guide students through safe skiing techniques, and on-snow games that make learning both active and memorable. Whether students are taking their very first glide, or building on emerging skills, this program emphasizes enjoyment, exploration, and connection with winter.

Helpful points to keep In mind

- Schools are responsible for arranging their own transportation to and from the ski facility. Arrival and departure times should align with the scheduled session times.
- To join our Ski S'kool program, each class needs the support of a teacher and a parent volunteer. We ask that both accompany the students for the entire activity session, including while they're out on the trails, to help ensure a safe and fun experience for everyone. We offer free Ski or Snowshoe rentals for Teachers, Volunteers, and Chaperones.
- Another important consideration is the weather—making sure children arrive with essential winter clothing, such as coats, gloves, hats, and long socks, helps ensure they have a safe and enjoyable experience.

Understanding Pricing

Not-for-profit

Our Ski S'kool Program is a not-for-profit initiative, and we truly appreciate your support. Our base fee pricing helps us continue offering the Ski S'kool Program, even when we're operating at a reduced capacity.

Fees + Sizes

Fees will be based on the number of students confirmed two weeks before your group's first visit. We'll also use that time to confirm everyone's boot sizes.

Personal Equipment

Students are welcome to bring their own equipment; however, their individual fee will remain the same. Please note that we're not able to adjust fees for students who are absent.

Cancelations

For safety reasons, the Cariboo Ski Touring Club reserves the right to cancel programs if weather or unexpected conditions require facility closures.

Ready to Book?

- Book your session dates in our Calendar
